

SHERLINE Ultimate Machine Shop and Packages Price List

STANDARD LEADSCREW PACKAGES		
Sherline mills and lathes can be purchased together along with a selection of Sherline's most popular shop accessories to put together a complete machine shop with just one simple order.		
Manual Packages		
P/N Inch (Metric)	Description	Price
6000 (6010)	4400-series lathe, 5400-series mill PLUS accessories listed above. A complete machine shop in miniature!	\$2559.00
6200 (6210)	4400-series lathe, 2000-series 8-direction mill PLUS accessory package listed above.	2843.00
6280 (6281)	4400-series lathe, 5800-series NexGen mill PLUS accessory package listed above.	3843.00
DRO Packages		
DIGITAL READOUTS: Encoder handwheels on the X- and Z-axes of the lathe, and on the X-, Y-, and Z-axes of the mill. Electronics box includes LED readout for each axis plus an encoder for continuous readout of spindle RPM. DRO handwheels replace the standard handwheels/adjustable "zero" handwheels. Electronics can be initialized to work with either inch or metric machines. 110 VAC power supply is included.		
P/N Inch (Metric)	Description	Price
6000-DRO (6010-DRO)	6000-series shop package above with both machines fitted with factory installed DRO	\$3198.00
6200-DRO (6210-DRO)	6200-series shop package above with both machines fitted with factory installed DRO	3481.00
6280-DRO (6281-DRO)	6280-series shop package above with both machines fitted with factory installed DRO	4481.00
CNC-Ready Packages		
CNC-READY MACHINES: CNC-Ready machines come with stepper motor mounts in place of the handwheels ready for the installation of NEMA 23 size stepper motors. (Stepper motors, drivers, and software are not included.) Handwheels are included for use on the rear shaft of dual shaft stepper motors, but stepper motors must be installed before manual control can be achieved. See the CNC Price List for additional CNC components like a driver box and stepper motors. Complete CNC systems including a controller/computer are also available.		
P/N Inch (Metric)	Description	Price
6000-CNC (6010-CNC)	6000-series shop package with both machines fitted with stepper motor mounts in place of handwheels, ready for CNC control	\$2982.00
6200-CNC (6210-CNC)	6200-series package above with both machines fitted with stepper motor mounts in place of handwheels, ready for CNC control	3265.00
6280-CNC (6281-CNC)	6280-series package above with both machines fitted with stepper motor mounts in place of handwheels, ready for CNC control	4265.00
